Building E5317 located in the Edgewood Area of Aberdeen Proving Ground is considered eligible for listing on the National Register of Historic Places under Criteria A and C. The one-story concrete block building was erected in 1918 as a storehouse for chemical weapons. The building was erected during the period of significance of Aberdeen Proving Ground and was directly associated with the primary mission of APG, that is the manufacturing of chemical weapons.

The building is a one-story concrete block structure characterized by its central monitor roof and steel sash windows. The building is representative of storehouse/warehouse design and retains sufficient integrity to qualify for listing under Criterion C.
